We've all had an adjustment, now it's time to read The Adjustment!

America is in the grips of its worst nightmare... biological warfare. Who is responsible isn't as important as who will stop the mounting death toll? Find out how chiropractic plays a part in changing the course of history in two exciting chiropractic novels, The Adjustment and The Acceptance. Buy one for \$16, both for \$30. Large quantity discounts are available. Shipping and handling is \$5 for 1 or 2 books.
